POOL CAMPUS PLACEMENT DRIVE 2024

The Pool Campus Placement drive held at Hindustan College on May 17th 2024, was a significant event aimed at providing opportunities to secure employment for final year students. It provided a platform for students to showcase their talents and secure promising career opportunities. A total of 10 companies participated in the placement drive, offering roles primarily in Management and Information

Technology. The following companies participated in the recruitment process.

- * Rank Book Software Solutions (Star Mark, Techno Task, Xentrics, SDM E Mobility, Bajaj, Tata Capital, Grass Roots, ICCS).
- * TVS Training & Services (ICICI bank, Axis bank), * Anurva Advanced Techserve (Genisys, MPHASIS, IGT, Concentrix, HGS, Infosys), * Kriya Nextwealth pvt ltd, * Source Hub, * Muthoot Finance
- * Glowtouch, * Snipe Tech Pvt. Ltd, * Strong Will, * Think Beyond

Over 250 students from Hindustan College and nearby institutions attended the event. Among them, 125 candidates were shortlisted for further recruitment processes. Specifically, 45 students from Hindustan College advanced to the subsequent stages of the recruitment.

CAMPUS PLACEMENT DRIVE 2024 – INDIGO

The final year BBAAviation Management students participated in the Indigo Placement Drive May 22nd & 23rd 2024 at Hindustan Institute of Technology & Science, Chennai. Mr. Syed Nawas successfully cleared all the rounds and has been placed as Operation Control Crew at Indigo.

SPECIAL LECTURE PROGRAM ON DATA SCIENCE AND ITS APPLICATION

On 20th May 2024, the Department of Computer Science, Hindustan College hosted an insightful one day seminar on "Data Science and its Applications" which aimed at exploring the latest trends, techniques and applications in the field.

Mr. Sridhar Joies, Associate Director Learning and proctoring solutions, Excel Soft, Mysore commenced the seminar with an engaging keynote

address, highlighting the significance of data science in today's technological landscape. He elucidated on the role of data scientists in deriving valuable insights from vast datasets and emphasized its relevance across various industries. Throughout the seminar, attendees delved into an array of data science techniques, including machine learning, artificial intelligence and IOT.

An interactive Q&A session allowed students to seek clarification on complex concepts and engage in insightful discussions with resource person.

INDUSTRIAL VISIT TO NOVATECH, ROBOTICS

An Industrial visit to Novatech, Robotics, Bangalore was organized by the Department of Computer Science on 07/ 05/2024. Novatech Robotics is one of the leading Robotic

Companies started in the year 2010. The session was addressed by the CEO Mr. Imtiaz Khan who gave a brief introduction about how Novatech works and the projects involved. Post that, the programming activities commenced and the students were exposed. The session led to a lot of programming activities which involved them to have a hand on experience and learn from the experts directly.

The students were divided into groups. The first group had the task of programming and the second group was instructed to code a robot. Each team was constantly monitored by the coordinator. A competition was conducted among the students. Students learnt about the software that plays a major role in the robotic industry.

SPECIAL LECTURE PROGRAM ON "BUSINESS COMMUNICATION AND PROFESSIONAL DEVELOPMENT"

On May 23rd 2024, the Department of Commerce and Management organized a Special Lecture Program on "Business Communication Skills and Professional Development". The program featured Dr. M Dharma

Prasad, CEO & Chief Scientist of Bioconformatics Pvt. Ltd., as the resource person. Dr. Dharma Prasad is also the convener of the CII Mysuru Industrial Institute Interaction and Higher Education Panel.

Dr. Dharma Prasad delivered an insightful lecture emphasizing the importance of effective communication skills in professional development. His talk covered various key aspects including active listening, non-verbal communication, professionalism, continuous learning, digital presence and integrity. He aimed to inspire every participant to achieve success. The program was well-received by the students, who expressed a high level of satisfaction with the valuable insights and guidance provided.

ONE DAY WORKSHOP ON "CHALLENGES AND OPPORTUNITIES IN COMPETITIVE EXAMINATION" A one day workshop on Challenges ar

A one day workshop on Challenges and Opportunities in Competitive Examination was organized by the Internal Quality Assurance Cell of Hindustan College on 5th April 2024. The resource persons, Dr. Shivakumar, Founder & Director of Akka IAS Academy, Bangalore and Mr. Muniraju

M, Master Trainer and Chief Mentor provided insights on strategic exam preparations and understanding competitive exam structures to the students. The workshop provided students with a clearer understanding of how to approach and excel in competitive exams, opening up numerous opportunities for them in government jobs and further education.

organized a blood donation camp on April 19, 2024. The event witnessed a remarkable turnout, with students and staff members of Hindustan College donating 100 units of blood. The camp, facilitated by a team of doctors and technicians from Lions Blood Jeevadhara ensured that all donors underwent necessary precautionary measures, including blood pressure, blood sugar, HB level, and pulse rate checks. As a gesture of appreciation, all donors were provided with refreshments and certificates. The resounding success of the camp underscores the college's commitment to community welfare and healthcare initiatives.

VISIT TO FOLK MUSEUM

With a view to provide a glimpse of folk life, folk culture and tradition and to emphasize the importance of folk culture in the development of mankind, students were taken for a visit to the Folk Museum on 03.05.2024. They were able to gain a comprehensive picture of folk life and culture through the museum's various exhibits. The students had the opportunity to view rare photographs and manuscripts of the eminent scholars and professors of Kannada at

the University. The visit to the folk museum left the students happy and enriched.

DONATION OF COMPUTER & PRINTER

The Management of Hindustan College generously donated a computer and a printer to the police station in JP nagar, Mysuru. Mr. Mohit Sahadeve, Inspector graciously accepted the computer from the Special Offier, Mr. Abel Mathew Prasad. The Inspector and other officals expressed their gratitude towards the institution for the contribution.
